

Salutations!

Welcome to the New Year! We are getting close to Mardi Gras season and even closer to the Krewe de Crave Moore's Mardi Gras Masquerade Culinary Experience. This is an exquisite experience where culinary delights and fine beverages await! This exclusive event offers a unique opportunity to indulge in gourmet tastings while networking with fellow food enthusiasts and community members, from all industries. Elevate your palate and experience an unforgettable culinary journey in a night of sophistication and taste.

As you indulge in a delectable four (4) course selection, carefully curated to our theme to honor the deeply rooted Southeast Texas culture of Cajun cuisine, Mardi Gras, and Fat Tuesday, you will satisfy your palate through complimentary refined wines, featuring insightful knowledge from our very own Sommelier.

We're thankful for our current sponsors, who help make this event possible. A portion of every purchase goes to Granny's Pantry, the benefitting nonprofit of the event. We encourage you to make your presence known at this Culinary Experience by investing in your business and securing your spot at one of the best VIP experiences in Southeast Texas.

Please take some time to peruse the following document which offers opportunities for sponsorship of this amazing event, which are filling up quickly!

Remember, as with any Crave Moore production, we will leave you 'Craving Moore'!
Laissez les bons temps rouler!
